20161114 Anaconda PP Public Notice.doc

Hi,

Here is my first cut at the RGJ public notice ad.
I used an example Sarah provided me, and modified it for the OU-8 PP.

Let me know your thoughts and comments on this today if possible as I need to get this out Monday.
I'm also sending it to Greg and Jeff for their comments.

The only real question I have (although I may get comments from Greg or Jeff) is the website address for the EPA electronic version to be made available to the public. Since we are in transition the TT sharepoint site will not be available, and I don't think CBI has their sharepoint site up and running yet, so how do we deal with that? Maybe just not mention that??

Thanks,
Jeryl
